FIGART ROCK N' ROLL

FOREWORD

We are pleased to welcome you to this unique Reduction Sale of Pedigree Texel females of top quality on behalf of the Ryan Texel Group, Flor, Johnny and Jackie Ryan. The sale consists of 100 ewes with their March born lambs at foot and 60 Texel crossbred hogget ewes with their April born lambs at foot. The Lawn Flock was established in 1990 with the purchase of ewes at society sales. When selecting ewes and stock rams, much emphasis was placed on the commercial attributes of the breed, i.e. Muscling, Length, Tight skins and Correctness.

Down through the years some super Dutch and French bloodlines have been imported which have left their mark on the flock. That little splash of Dutch will always be a part of Ryan Texels and in 2010 Dutch Halleys Comet's semen was used on a few selected ewes after a break of 15 years. Ryan Texels specialise in the sale of Shearling rams and ewes, and each year at the Premier sale they usually appear in the list of top averages (2010 Johnny Ryan Top Shearling ewe average @ €1,200)

Some of the most successful Sires used in the production of these 100 ewes and their lambs are

- **Garrolagh Iggy Pop**
- **Roughan Laptop**
- **Waen Leonardo**
- **Rotsee Long Fellow**
- **Baileys One and Only**
- **Dutch Halleys Comet**
- **Kilcoursey Nicefella**

If you are looking for affordable Texels from top quality flocks, then this is the sale for you. We hope you will avail of this unique opportunity to purchase some of the excellent Texel Ewes on offer.

Two of these class winners went on to win Supreme champion and Reserve champion rewards at the show. The sale includes 5 daughters and 10 grand daughters of Roughan Laptop.
