## Thornville

The Thornville Flock was started in 2002 with the purchase of 3 ewes from the Barnacoyle flock, 1 from the Scorthy, 1 from the Ballywillam Flock. This has been added to from some of the top flocks in South of Ireland, North of Ireland and the UK such as Mullan, Tullagh, Tamnamoney, Ballynahone, Annan, Hillhead, Springhill, Blue Gates, Hillcrest, Foundry.

We put a lot of emphasis on selection of service sires, some of the most notable sires in the Thornville Flock were Claybury Jewel, Claybury Kiwi who bred many fantastic females including Premier Sale Female Champion which went on to sell for €1800, Speenogue Orlando who was Premier Sale Champion and purchased for €4200 which went on to be 2009 All Ireland Male Champion and Reserve Overall Champion. Montalto Oscar has made a very notable influence on the year breeding Reserve Champion at Bannow and Rathangan Show. Two sons were sold to Scotland for a flock record price to the Annan and Corrie flocks.

The flock has grown over the years to 70 ewes which gives us the opportunity to offer 10 gimmers from the best selection of gimmers that the Thornville flock has ever had. We had four show gimmers this year. The four gimmers were placed 1st to 4th at Bannow-Rathangan Show and we also had Reserve Champion with the first prizewinner. We won Texel Champion in Tinahely and Overall Texel Champion at Wexford County Show with our Show Team of gimmers.

## **Greenhill Texels**

The Greenhill Texel Flock was established in 1990 and presently consists of a flock of 160 pedigree ewes with 60 replacement ewe lambs kept for hoggets. Since its foundation the breeding focus has been to produce fast growing Texel sheep with carcasses that can command premium prices in the commercial markets. Performance recording has been used over the years as a tool for selecting the top performing sheep in the Greenhill flock and also in selecting flock rams. This selection process has resulted in Greenhill Texels returning top prices at Society sales over the past 15 years. The flock has also been successful in the show ring with the Greenhill Texel sheep featuring consistently in the awards at both the Premier and Regional sales and the National Texel Championships. At the National Texel Championships at Sheep2010 our stock rams figured prominently in the national awards. Speenogue Nice fellow was 1<sup>st</sup> in the aged ram class, while McArthur Prince of Dance and Enniscrone Patriot were awarded 1<sup>st</sup> and 3<sup>rd</sup> respectively in the hogget ram class.

The flock is managed on a grass based system with a strict culling policy ensuring that only the most productive sheep are retained for breeding. The flock is managed to ensure the highest possible health status with all the flock vaccinated with Heptavac P and Footvax. The hogget ewes have been vaccinated with Toxovax prior to the breeding season.

Sires:

### **Cluntagh Klondyke MGC 04122.**

Klondyke was purchased at the Dungannon Premier in 2004 costing €8,100. Both he and his progeny have been used in many flocks and he is probably the most consistent breeder to have been used in the Greenhill Flock.

### **Roughan Laptop SJI 05025**

Laptop has produced 660 performance recorded progeny over 5 breeding seasons and has been used widely again this season. Both his male and female progeny have been to the fore in the rosettes and top prices at the Blessington Premier Sales over the past 5 years – 3 times reserve male champion

and top priced ewe lamb in 2006. In the past 2 years Laptop was used in the CPT Farm trials and is a four star ram with the greatest accuracy in the Sheep Ireland ram evaluations. His performance to date shows that he is a consistent breeder of attractive sheep that have a long life span and good performance in terms of growth and carcase quality.

### **Speenogue Nice Fellow IUI 07028**

Nice Fellow is a grandson of the famous Cluntagh Klondyke. A five star overall sheep value ram with good production and maternal values. Nicefella was champion aged ram at the Sheep2010 National Texel Championships in Lyon's Estate. This was the only time he was shown this year. Nicefella is breeding sound sheep with good carcasses.

### **Annakisha Mac OKI 06012**

A son of the famous Craighead Hercules, Mac was purchased at the 2006 Blessington Premier for €2300. Breeding strong consistent progeny with length, carcase and style.

### **Enniscrone Patriot GAI 09023**

A son of Douganall McFly and a maternal grandson to Knock Firefly, Patriot was purchased at the 2009 Blessington premier

costing €1575. He was 1<sup>st</sup> as a ram lamb at Tullamore Show and 3<sup>rd</sup> in the hogget ram class at the Growvite Texel Championships at Sheep2010. His sons sold to €1150 at the 2010 Premier. Patriot has a five star overall sheep value and is breeding style and length in his progeny.

### **McArthur Prince of Dance ARE 09004**

Purchased at the 2010 Premier costing €1100, his sire, Muiresk Northern Dancer, has bred females that have sold for over £5000stg for the Cowal Flock in Scotland. Prince of Dance was champion hogget ram at the Growvite Texel Championships at Sheep2010. A Prince of dance daughter was champion ewe lamb at the regional texel sale in Raphoe.

### **Cambwell Laird LTC 05507**

Laird is in the top 5% in the Signet Performance Recording Scheme in the UK with over 600 registered progeny. In the Cambwell flock, 22 sons have sold for £1000 or more and 19 daughters have averaged £2374 as in lamb gimmers.

## Ravensdale Texels

Established in 2001, Our main aim is to breed good carcase rams for the commercial farmer, and not forgetting about the breed character to catch the eye in the show ring.

Our first females were purchased from Garrolagh flock of the late Gerard Murphy, and from the Ballina flock. Indeed some gimmers in this sale are related back to the famous Ballina First Choice.

Over the years we purchased some females from the Greenhills, Foundry and Mullaghrafferty Flocks, and most recently imported some select females from Forkins Mullan, Blackstown and Springwell flocks in Northern Ireland. We had much success in local shows and Texel Championships over the years having many prize winners and indeed Interbreed Champions.

This is the first time we are selling females mainly due to ET work done in 2009 and 2010.

The gimmers for sale are out of 6 exciting Sires

## ENNISCRONE

The flock was established in 1992 with the purchase of 5 ewe lambs from E & L Walsh's (Ballybrooney flock). The following year further purchases were made from Patrick Barrett's (Castlebar flock), David Barrett's (Ballina flock), Mark Geoghegan's (Newtown flock) and John Madden's (Cush flock). Additional purchases were made at Pdraic Niland's reduction sale and John Madden's dispersal sale. Since then we haven't purchased any females and today the flock comprises 100% Enniscrone females. As a result, we place a huge emphasis on ram selection. Recent national honours include Champion and reserve female Blessington 05, All Ireland senior and junior

Tamnamoney Preacher: a Ballynahone Oscar son purchased in Dungannon 2009 for €2300. A very smart ram; he was placed fourth at this year's all Ireland and his first crop of lambs look very promising.

Beechvale Rufus: a private purchase from Norman Reid this autumn. Rufus is a very stylish and powerful son of Mellorvale Officer who bred the top Kelso rams at Lanark last year.

Enniscrone Patriot: a son of Oscar, first prizewinner at Blessington premier this year. He is a very long correct sheep with an outstanding head.
